### Instructions –

1. Fold the teal card in half to form the card base.
2. Cut the white card in half to create two A6 pieces. Put one aside for later and trim the other to fit onto the front of the base.
3. Using the blending tool, ink the card topper with the three coloured distress ink pads.
4. Ink flourish stamp with the embossing ink then spritz with water and stamp down in a section of the card. Repeat at least one more time.
5. Dry the stamped flourishes using the heat tool, the colour will fade as the water dries leaving a watermarked image.

6. Adhere to the front of the base card.
7. Stamp the quote stamp onto the remaining white card using the Jet Black ink pad.
8. Swipe the three different ink pads randomly over the butterfly image to colour and stamp over the quote.
9. Trim the sides of the quote then mark the top and bottom of the stamped image to hand cut these in order to cut around the butterflies so that they extend off.
10. Matt with the lime green card and adhere to the front of the card.
11. Colour the wings of the butterflies with ice stickles.
