

Christmas Collage Card

Required

- Christmas Collage Stamp
- Distress Ink Embossing Pad
- Clear UTEE
- Foam Tape
- Stazon Ink Pad – Black
- Distress Ink Pad – Walnut Stain
- Aquabrush
- Blending tool and foam pad
- Distress ink refills – Fired brick, mustard seed & Peeled paint
- Smooch – assorted
- Card – Kraft, white and gold embossed

Instructions

1. Fold kraft in half to form a C6 card size. Trim gold embossed card to fit on the front of the Kraft.
2. Rub gently over raised image and edges with the blending tool and Walnut ink.
3. Stamp collage onto white card with Stazon and heat set if required.
4. Colour image in using inks and water brush. Allow to dry thoroughly and then touch up areas with Smooch where you want sparkle.
5. Apply embossing ink and UTEE and heat set. Repeat for a solid glazed feel.
6. Cut out the four parts of the collage. Attach 2 layers of double sided foam tape to the bottom of the lower right side section; 1 layer of foam tape to the lower left panel and top right panel.
7. Attach all the pieces to the centre of the gold embossed card piece, putting them back into place. Attach this whole section to the front of the card base.
