Ice Sticks

Embossing tray and Embossing puff

Smooch Spritz – Limoliscious

-Pink Sprinkles

Water Spray

Instructions

1. Trim vintage paper to 3 ½ inch by 5 ½ inches and matt with green bling card but DO NOT adhere yet.

2. Spritz vintage paper with water until wet. Spray the smooch spritzes randomly over the surfaces and dab off any excess that has not soaked into the paper. Dry thoroughly.
3. With the embossing pad, stamp the chandelier half over the left edge of the vintage paper and emboss with the black soot powder. Adhere to the green matt from step one.
4. Colour the candle flames on the chandelier with Ice stickles and put aside to dry.
5. Stamp the quote inside the card using the black soot ink pad then winged heart onto remaining vintage paper.
6. Use a water brush to colour the heart and wings with a small amount of smooch spritz. Add ice stickles to the wings.
7. Trim the heart stamped image and cut out a matt from the green card. Adhere the stamped image to the net then the net to the green matt.
8. Adhere the stamped block to the centre bottom of the card.
