Instructions

1. Cover the main sides of the house with paper. I chose a light coloured paper for the front of my house and the turquoise shaded paper for my trim pieces.
2. Sand any rough paper edges.
3. Paint the edges and backs of all wood pieces, dry brushing the scallops to add additional effect.
4. Once dry assemble house; spray with a coat of the Smooch mist and put aside once more to dry thoroughly.
5. Decorate as desired.
