

“Perfect” Scrapbooking Page

Required –

- February Club Scrapkit Kit
- Ranger Distress Inkpad – Olive
- Scalloped Border Stamp
- 5inch by 7 inch photo
- Paintbrush
- 3D Tape

Instructions –

1. Brush the paintbrush over the surface of the Olive ink then apply randomly to the surface of the Embossed Polka dot cardstock. This will be our base.
2. Cut a strip from the red polka dot patterned paper that measures approximately 1 inch by 8 inches and adhere to the left side of the base.
3. Cut the black cardstock to 5 ½ by 7 ½ inches to create a photo mat. Cut out sections of this to create a partial mat then adhere the photo to the top of it, leaving the bottom left corner free for now.
4. Adhere matted photo to the centre of the red patterned paper strip on the base.
5. Adhere the red glitter ribbon trim across the page just below the photo then the red ruffle trim below this.
6. Locate the packaging piece that has the “Perfection” quote printed on it and cut it out. Adhere this to the left side of the photo, between the photo and the black mat.
7. Use 3D tape to adhere the “Simply Perfect” label to the side of this.
8. Ink a scalloped border stamp with the Olive ink and stamp along the left side of the red patterned paper strip.
9. Finally add some of the decorative brads from the kit along this stamped border.
