## Instructions

1. Begin with the Lemonade card and score in half. Open up and score a line 3 inches from the side. Repeat with other side. Cut away the two smaller sections on the bottom half of the card as indicated in the template.

2. From the cut away sections, cut out two tags that measure 1 ½ inches by 5 inches.
3. Ink all of the edges of the tags and the main card section with the Pinecone ink pad.
4. Beginning with the Brown Bazzill, cut out the following pieces –

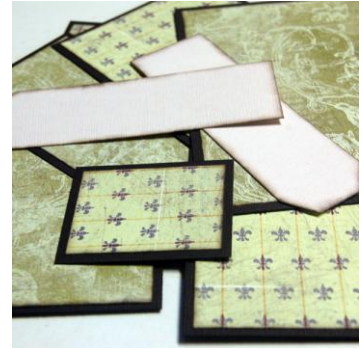

- 1 piece measuring 5 ¾ inches by 5 ¾ inches
- 2 pieces measuring 3 ¾ inches by 5 ¾ inches
- 4 pieces measuring 2 ¾ inches by 5 ¾ inches
- 2 pieces measuring 2 inches by 2 ½ inches

These are the mats for the patterned paper to be cut as follows –

- Inamorato Paper –
  - 1 piece measuring 5 ½ inches by 5 ½ inches
  - 2 pieces measuring 2 ½ inches by 5 ½ inches
  - 1 piece measuring 5 ½ inches by 3 ½ inches
  - 2 pieces measuring 1 ¾ inches by 2 ¼ inches
- Smoking Jacket Paper – 2 pieces measuring 2 ½ inches by 5 ½ inches
  - 1 piece measuring 5 ½ inches by 3 ½ inches

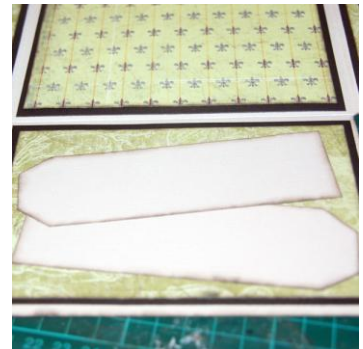

5. Ink the edges of each of the Patterned paper pieces with the Pinecone inkpad.

6. Adhere each of the panels to their corresponding places with the smaller matted pieces being placed on the inside of the flaps.

7. Adhere the tags to the lower flap ready for your message.

8. Cut a 4 ½ inch by 4 ½ inch square from the brown card and a 4 ¼ inch by 4 ¼ inch square from the Smoking Jacket paper. Ink the edges of the patterned paper and adhere to the brown card. Adhere both to the inside centre panel.

9. Cut a 4 ½ inch by 4 inch piece from the brown card and a 4 ¼ inch by 3 ¾ inch piece from the Smoking Jacket paper. Ink the edges of the patterned paper and adhere to the brown card. Apply glue to only half of the back of this and adhere to only one side of the flaps so that it is centred when closed.

10. Decorate the small square sections on the inside flaps by applying one of the Prima pearl swirls – one for each side. Cut the Prima clay roses off before applying and put aside for the next step.

11. Adhere 3 of the clay roses to the bottom left corner and three in the top right corner of the front panel. Adhere the Prima vine to the centre of this panel.

12. Finally add a photo to the centre main panel of your card to add that extra special touch to your gift. Here's what mine looks like inside – without the photo.
